Dear Editor

Bar Hill Skate Park – or rather lack of

A few evenings ago, I took a walk over to the old Skate Park area to see what was happening. To my surprise, there was approximately 10 young people just sitting chatting and shooting the breeze, so I asked them if they knew what was happening to their skate park. Sadly their reply was quite negative and I can't say I blame them.

I understand that the skate park was demolished in December 2013 by the Parish Council, as it was felt a safety risk. If the youngsters had smashed it up, this would have been classed as an act of vandalism. In the young people's opinion it could have been repaired and brought back to a safe condition far cheaper than paying a person with a digger to destroy the whole thing. This doesn't seem to have been the wisest decision taken by the Parish Council.

Now three years on and as mentioned after visiting the site, it would appear that nothing has happened to reinstate it. We are now stuck with a derelict and litter covered wasteland.

I found that back in March 2015, some 15 months after the park had been destroyed, the Parish Council were still talking about trying to unsuccessfully secure different grant submissions, although on a positive the Parish Council had committed to provide £10,000 for the project. Surely this amount of money could have "repaired" an awful lot of skate park.

Now I'm sure we've all grumbled about, or read and heard via the media, that "the young people of today just want to sit in their bedrooms playing on computers" or "they're being anti-social" and "young kids are overweight", they simple can't win, where does Bar Hill and the Parish Council suggest they go.

I would like to suggest that residents, especially the youngsters, spend a few minutes watching Bar Hill Skate Park Update (5th Jan) on YouTube; an informative short film made by Ryd Cook, and put forward your comments to the BHN and Parish Council.

I feel it's time that something positive was done and done quickly with respect to giving these youngsters back their Skate Park and use the area wisely. The Parish Council OWE it to them.

Regards

G Caswell, Field View

— BAR HILL INTERCHANGE —

A14 Cambridge to Huntingdon Upgrade

Hopefully by now you'll have seen local information from the public exhibitions – go to www.gov.uk/government/organisations/highways-england.

The Parish Council has made representations about the new interchange for Bar Hill.

So far Highways England have not been able to reassure us regarding our concerns that Bar Hill is going to be the major interchange for all the local villages. Traffic coming up from local villages – Dry Drayton, Northstowe, Oakington and Longstanton –will have to come up to Bar Hill and through two sets of traffic lights on single carriage road.

Dear Editor

Thank you from your Community Market

I would like to say a BIG thank you to all who have come to any markets in 2016. We have donated money to the Scouts for new tents. We were also able to help the Church, Hearing Dogs, Annabelle, a student raising money for a school trip, and the Scouts. These organisations all raised money for their causes by serving the refreshments at one of our markets.

We wish you all a Happy Christmas and New Year and hope to see you at our Christmas Market on 3rd December, and in 2017.

Thank you again

Karen Austen

Dear Editor

We'd like to say a huge **THANK YOU** to all who shared the fun of our Halloween display, raising a fantastic £224.00 for the Cardiac Unit, Addenbrookes.

THANK YOU ALL!

We will be one of the first groups in the UK to perform this glorious musical in six years, as no-one has been able to obtain the licence – until now!

The Cinderella story about the Cockney flower girl Eliza Doolittle and the appealingly arrogant Professor Higgins is an endearing tale that charms audiences with its vivid characters and unforgettable songs, including: "Wouldn't It Be Loverly", "On the Street Where You Live", "I Could Have Danced All Night" and "Get Me To The Church On Time".

Wednesday 18th January 2017 – read-through 7.45pm, Over Church Hall

Wednesday 25th January 2017 – auditions from 7.30pm. Over Community Centre, The Doles, Over CB24 5NW.

Rehearsals will take place in the Church Hall on **Wednesdays 7.45–10 pm.** Principals also on Thursdays.

— GOLDEN JUBILEE CELEBRATION —

Although the 350 acres which comprise Bar Hill became a parish in its own right on 1st April 1966, the village with its residents and institutions took shape a year later:
24th May 1967: the first residents, Mr and Mrs Bob Burry, moved into 58 Acorn Avenue;
1st October 1967: members of Bar Hill Church first met together for the first time at 19 Acorn Avenue;
20th October 1967; the inaugural meeting of the Bar Hill Residents' Association, attended by seven residents;
December 1967: the Bar Hill News was first published.
The year **2017**, therefore, marks the **FIFTIETH ANNIVERSARY** of when Bar Hill became a village rather than a legal entity. To mark this, a series of events are planned to take place during the year of which the list below is a provisional schedule:
Friday, 10th March: a celebratory dinner, at which it is hoped that the original architect of the village will be the speaker.
Monday 1st to Wednesday 31st May: a display of photographs and documents from the Cambridgeshire Collection and other sources in the library to mark the arrival of the village's first residents.
Friday 9th June: Bar Hill School PTA Golden Jubilee Fun Day.
Saturday 1st July: The Bar Hill Golden Jubilee Fete.
Friday–Sunday 14th–16th July: a Flower Festival in the Church Centre, village organisations being asked to submit a display.
Also, **Memories** Residents will be asked to display photographs and newspaper cuttings of the history of the village. On the Friday, a member of the Royal Family may visit the village.
Saturday 12 August: Bar Hill Sports and Social Club Golden Jubilee celebration.
Friday 29th September to 1st October: Bar Hill Church celebration weekend, marking the church's own Golden Jubilee, including a performance of the musical *Godspell*, featuring Bar Hill's own choir, 'Sing it Loud', a **barn dance**, and a special **Jubilee Sunday service.**
Friday–Sunday, 27th–29th October: a series of events to conclude the end of the Jubilee year.
Happy Hours will be putting on a Jubilee event in next year's programme.
Bar Hill Scouts will organise a Jubilee event.
Bar Hill School will feature Jubilee events during the Spring and Summer terms.
Bar Hill Cricket Club will be putting on a special match, possibly against an Umpires Eleven.
Merchandise of varying descriptions will be on sale at various points in the village during the year.

— A CRIMINAL'S PERFECT CHRISTMAS —

Day 1 – targeted houses in darkness during the evening.
Day 2 – scoured car parks for gift shopping left on car seats.
Day 3 – took purses from handbags in shopping trolleys while owners browsed shelves.
Day 4 – knew which houses to break into because could see presents around the tree.
Day 5 – took bulging wallet from a man's loose pocket.
Day 6 – raided freezers in unlocked garages.
Day 7 – looked around for deliveries on doorsteps (I hate friendly neighbours who take them in for safe keeping).

That's the food and presents sorted ☺. Now all I have to do is wait for gift packaging to appear beside wheelie bins and I'll know which houses have anything else I fancy ☺.

Remember – for the criminal it only takes a moment; for you, the effect lingers a long time. Please be a good neighbour and help keep our community safe.
If you notice anything suspicious report it on 101 (or 999 if a crime is happening).
Wishing you a safe and happy Christmas and New Year.
Pam Vendy, NHW Village Co-ordinator

— HEIDI ALLEN MP —

Once again we're once again in unchartered waters, both nationally with regards to Brexit and locally in terms of the City Deal. Whilst it's frustrating to ask people to be patient in this fast paced, modern, Twitter dominated world it's easy to underestimate the value of scrutiny and consultation. We shouldn't. Taking time to consult, probe and examine what is being put forward is the starting point for any successful negotiation and I remain confident that we have some sound navigators at the helm, being held to account by democracy in action.
I have been vocal about my opposition to the City Deal plan for Busway 3 and 3A (Cambourne to Cambridge route via the Westfields.) I sense the City Deal board are rushing because of spending deadlines imposed at deal inception. I believe a more creative and workable solution is possible and I'll make sure my voice is in the mix as these discussions move forward.
The new Papworth Hospital celebrated their next phase of development with a 'Top Out' at their new building on the Addenbrooke's campus. Having helped to level out a slab of concrete, a fir tree was swung over the building to ward away bad luck – apparently a tradition of the Norwegian contractor Skansa! The new site is extremely impressive with state of the art theatres, en-suite bedrooms and world class research facilities. Another great local NHS success story.
I was thrilled and humbled to be awarded 'Conservative Newcomer MP of the Year' by the Patchwork foundation. The award looked at the work my team and I have been doing to give a voice to underrepresented people, such as the disabled community. I only learn about those without a voice because you tell me, so please keep your emails, thoughts and feedback coming – I'm listening.
As always, do get in touch with any issues.
You're welcome come to my "no appointment needed" drop in surgeries. The next date is **10th December**. Full details are on my website www.heidisouthcambs.co.uk/residents-drop-surgeries or drop me an e-mail at heidi.allen.mp@parliament.uk or call my office at **01954 212707**.

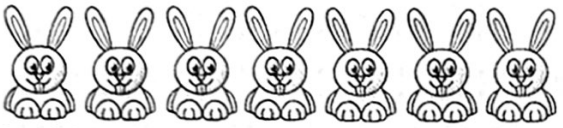
Bar Hill Childminders work as a close network of childcare professionals who offer a warm, friendly and loving home from home environment. We use the comfort of our homes as a base and can also offer your children the opportunities of day trips and range of outdoor experiences and take part in local community events and groups without being confined to one place. We offer flexibility in the hours that we work to suit you and your child's needs with village rates, rather than having set session times.

Your child will receive focused and individual attention and care as we progress them through the EYFS curriculum. Child led play as well as structured and personally thought out activities will encourage them to grow and learn at their own pace taking in to account each child's individual needs.



Before/after school and holiday care for school aged children is available and leaves the stress out of your busy mornings and evenings.

We are Ofsted registered and inspected with 'Good' and 'Outstanding' inspection outcomes and are fully insured. We have access to childcare qualifications including level 3 in childcare. You can feel safe in the knowledge that we all hold Paediatric first aid certificate.

We welcome you to join us and have an informal chat at either of our friendly & inviting 'Little Bunnies' sessions, Tuesdays (£2 per child max £3, under 1's £1) & Thursdays (£2.50 per adult under1's £1) in the Church Octagon 9.45–11.15am term time. DO YOU WANT TO HAVE A SAY IN IMPROVING SERVICES FROM HEALTH OR SOCIAL CARE?

Cambridgeshire Alliance for Independent Living (CAIL) is a local independent charity that works to improve services by raising the voice of people living with all disabilities.

One of the ways we do this is by bringing people with all disabilities and carers (called independent members), health and social care teams, and voluntary sector organisations (such as Age UK, Voice Ability, Cam Sight and the Carer's Trust) together at 'Partnership Board' meetings.

The Partnership Boards are opportunities for you to have your say about what is good about health and social care services, such as home care and day centres, and what you would like to improve or where you would like to see changes. Recent activities by the Partnership Boards include raising concerns about home care, which are now being examined closely by the county council, involvement in helping to develop a new carers strategy and involvement in the process for choosing organisations to run carers services.

Interested in getting involved? We are looking for independent members to join our boards. We offer full training and support, out of pocket expenses and reimbursement of travel. If you think you can help, please contact Leisha O'Brien, Development Officer at CAIL:
E: leisha@cambridgeshirealliance.org.uk ;or
T: 0300 111 2301. To find out more, go to:

A14 CAMBRIDGE TO HUNTINGDON IMPROVEMENT SCHEME

Many villagers attended the recent public information exhibitions regarding the A14 Improvement Scheme. Thank you for the support and interest. The purpose of the exhibitions was to provide information that would help in planning journeys and understanding the impact the scheme may have on individuals, businesses and communities.

Another area of interest is the opportunities that may be available for businesses to work with the scheme. There will be an opportunity for small- and medium-sized businesses to find out more at a **Meet the Buyer Day** on **12th January 2017 at Wood Green Animal Shelter** (pre-registration is required). More details can be found at: www.123contactform.com/form-2035856/A14-IDT-Supplier-Day. Posters will be available in the near future, so look out for them around the village.

Free thermal camera loan

South Cambs is inviting local people to book a training session so they can survey their own home and see where extra insulation or draught proofing is needed. Last year the cameras were used to survey about 55 homes. To get the most out of the free loan, householders are asked to attend a one hour session covering the basics of using the camera and what to look for. Dates are: Thursday 8th December at 5pm; Thursday 12th January 2017 at 5pm or Wednesday 15th February at 6pm. Places are limited; booking is essential. Email spep@scambs.gov.uk with your preferred date, or call 034550 450 063. You can then borrow a camera for up to six days.

South Cambs ecologist receives award

Rob Mungovan, who works for South Cambridgeshire District Council (SCDC), hooked the top award after working for more than 20 years to conserve and improve rivers and small streams across the country. The Wild Trout Trust's National Hero award recognises a professional whose work has furthered the cause of wild trout conservation and management in Britain and Ireland.

In addition to his work, Rob spends much of his own time helping local communities. He has spent many hours with volunteers in Bar Hill with the Cambridge Conservators working in the balancing pond. Next date in Bar Hill for volunteers is **19th February 2017**.

Look out for your South Cambs magazine Winter 2016

This is due out between 22/11/16–7/12/16. Please let me know if you don't receive yours.

Funding available for helping the elderly

A £19,000 grant pot aimed at supporting older residents to live independently in their own homes has opened. SCDC is encouraging community schemes to step forward and bid before 16th December 2016. In previous years the scheme has helped support around 250 local residents.

Schemes match elderly residents with a local warden and, for a small charge, offer regular personal visits and telephone calls. These don't replace social care services, but do provide additional support and peace of mind to residents and their families. Existing schemes are run by local communities, many with the support of Care Network or Age UK Cambridgeshire. For further information about the grants, and to apply online, visit www.scambs.gov.uk/content/mobile-warden-scheme-grants. If you would like to know more about the scheme, know individuals who could benefit from this service, or you would like to consider setting one up in your area, contact SCDC on Duty.Communities@scambs.gov.uk or 01954 713070.

New Season, New Players, New Kit

The new season for the Bar Hill Foxes has seen new players join and a new kit. The Foxes welcomed Dan Norden and Issy Bryant at the start of the season – they have been a fantastic addition to the team. We have also seen the return of Ollie Sargent. A big thank you goes to Domino Printing of Bar Hill for sponsoring the new kit. The kids look great!

It's been a challenging start, but with the improvements already made since the start of the season, a first win came in October, followed by a draw. The team continues to surprise me with their attitude – we have had some hard games and they never give up. This was epitomised by the recent draw, coming back twice from a goal down. Good luck to the team for the rest of the season.

— COUNTY COUNCILLOR REPORT —

Frustratingly, the County Council's extraordinary meeting to vote on the devolution deal for Cambs and Peterborough was postponed from 15th to 22nd Nov, missing the copy deadline for this issue of Bar Hill News. I had hoped to be able to let you know whether or not the vote had been in favour or against. I am in favour of devolution. I believe that this is a one-off chance to secure much needed additional money for affordable housing in South Cambridgeshire, in addition to the £20m a year for 30 years which will allow for much needed investment in infrastructure. The £100m for housing will deliver a minimum of 2,000 homes. Accepting this first deal will also open the door to other deals in the future.

After a very mild autumn, temperatures are starting to fall and everyone is turning up the thermostat at home. Coping with the cost of heating can be challenging and the County Council has formed a partnership with iChooser, to provide a collective fuel provision offer. iChooser is the UK's leading expert in collective energy switching and the delivery of bespoke and highly competitive energy tariffs and in partnering with them, the Council is able to offer the Cambridgeshire Energy Switch scheme. It looks likely that wholesale energy prices will continue to rise in the foreseeable future and it makes sense to try and fix your tariff. You can register for the scheme at www.cambridgeshire.gov.uk/cambsenergyswitch. Alternatively you can get help to find the most economical tariff from the Citizens' Advice Bureau [CAB]: www.citizensadvice.org.uk/consumer/energy/energy-supply/get-a-better-energy-deal/compare-gas-and-electricity-prices/. The majority of consumers never investigate the financial benefits of switching. The process is now easier than in the past and the financial benefits can really be worth the time and effort to find the best deal.

If you would like to know more about the work of Cambridgeshire County Council, please let me know and I will add you to the circulation of the full report I write monthly for parish councils.

— DECEMBER BULLETIN —
CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

It's the time of year when we enjoy a tipple with friends, we cook heaps of delicious food and generally deck the halls.

The Fire Service has these messages to make sure your festive cheer doesn't go up in smoke:

- Kitchens are a fire hotspot, so take care while cooking festive fancies. Never leave cooking unattended and turn off appliances when not in use.
- Switch off fairy lights and unplug them before you go to bed or leave the house. Make sure they conform to the British Standard and never overload plug sockets.
- Be careful when drinking alcohol while smoking or cooking.
- Finally, make sure you have a working smoke alarm which is correctly fitted and works. And NEVER take the batteries out to power presents!

Any visitor calling by this time of the year quickly learns that this is a wonderful season to visit a primary school. Not only have we enjoyed the Christmas season and the joy that comes with – Christmas productions, visits from Father Christmas, Christmas markets and our whole school day out to the theatre to enjoy the panto. We've also had a host of wonderful events, trips and visitors. This term we were congratulated by the Schools Minister, Nick Gibb, for our excellent reading results in Infants and then were visited by our local MP, Heidi Allen, to see what makes our school so special. BBC Horizon, alongside our research partners from the University of Cambridge, also visited in order film us in action and share research we've been part of for a number of years with the Faculty of Education. It's a wonderful statement about our community that we enjoy such national recognition for our excellence.

Along with enjoying the Christmas season and the excitement of national acclaim, we are also opening our doors to any parents or grandparents in the community that would like to visit the school before putting in an application for a place in our Reception.

To support families, we offered an Open Evening on Tuesday, 29th November. There is also the opportunity to book a visit to the school during any morning. Any parents interested in receiving a copy of our prospectus and/or visiting the school should contact the front office by emailing: office@barhill.cambs.sch.uk, or phoning: 01954 273305. We look forward to seeing you.

On behalf of the school, I wish every member of the Bar Hill Community the peace of the season and a joyful new year.

Yours sincerely
Dr Al Mistrana, Headteacher

— STORYTIME AT BAR HILL LIBRARY —

Stories and pictures, rhymes, songs and craft activities, from 10.30am at Bar Hill Library, on the following Saturdays: **10th December 2016; 14th and 28th January 2017.**

Storytime welcomes children of pre-school age – and their older brothers and sisters who are supervised by an adult – to a short session of book-based enjoyment.

This free event introduces children to their local library, helping them to find out all that is to be gained from learning to read. There is no need to book, just come along.

THE ROYAL BRITISH LEGION, — BAR HILL BRANCH —

The Royal British Legion Bar Hill meets on the 4th Thursday of each month in the meeting room of the Octagon from 7.30pm.

We are a small friendly group of like-minded people. You don't need to have an Armed Forces background to join, just share a common cause of supporting our Service Community, now and for the rest of their lives.

We would like to thank all those who helped with the Poppy Appeal this year, be it giving money, attending the services or helping with the collection either at Tesco or the shops or other places with in the village.

A VISIT TO AMEY WASTE MANAGEMENT PARK

A small group from Bar Hill Eco Church group visited. The striking thing as you go round is realising how much we throw away, and that it doesn't just disappear when we put it in a bin or throw it on the ground.

The site deals with waste from the blue, black and green bins from 600,000 Cambridgeshire residents. Because it costs the council £84 a ton to dispose of waste in landfill, the council is keen to get residents to use our bins correctly to minimise that amount and maximise the amount of waste that is recycled. The green waste is made into compost that is free to anyone who can come and collect it.

At Waterbeach they can do more than many other sites, which is partly why messages we get about recycling are sometimes different to other areas and sometimes appear to change. It is amazing how much they can do. However, we can make life there easier, and costs lower, by using our bins better. Many people do this very well but key points we were all asked to remember were:

Green bins: food and plants yes, but **no plastic bags, stones or soil**. They make the waste unusable and can damage the machines that chop up the waste. Use paper or cardboard to wrap or contain food waste.

Blue bins: rinse bottles and tubs etc. first. This doesn't have to use much water; old washing up water is enough. It is much easier for us to clean things before they dry than for workers on site to do it, and rotten food can be pretty horrible by then.

Black bins: the last resort for really dirty things and **'don't-knows'**. But please, **no videos;** the tape is a nightmare for the separating machines.
